INSTRUCTIONS

Pillow Square (make two).

Cast on 26 sts. Work back and forth in Diagonal stitch for 11". Bind off.

FINISHING

With tapestry needle and matching yarn, sew the two pillow squares together along three sides. (Or, use crochet hook and matching yarn to crochet along three sides.) Insert purchased or hand-made pillow stuffer inside. Sew the fourth side of the pillow closed.

Optional hand-made pillow stuffer: Cut two 12" squares from the fabric. Using a ½" seam allowance, sew right sides together around three sides and half of the fourth side. Fill firmly with stuffing. Overlap the open edges and sew closed with sewing machine; or, with sewing needle and thread, whip stitch the edges closed. ∞
